Dear Director Thomas,

On behalf of A Cultural Exchange and all the *Read, Baby, Read!*® and CHAPTERS BOOK CLUB® members, I would like to thank you so much for your generosity in allowing us to host our Reading Celebrations at the Cleveland Public Library. The celebrations were special and memorable for so many children, teachers, parents and community members.

Everyone was excited to be at such a great space that was so supportive of literacy and fun. The programs were a great success due to all the efforts of the fabulous Cleveland Public Library staff to ensure that everything progressed smoothly. I appreciate all that you do for Cleveland's youngest citizens and for A Cultural Exchange.

Thank you for your continued advocacy and for helping us to Build Communities Where Children Read.

Sincerely,

Deborah McHamm  
President and Chief Executive Officer

Dear Mr. Thomas:

We at Sunbeam School are very grateful for another year of service from the library's mobile unit. Under the direction of Linda Sperry, the mobile unit's collaboration with Sunbeam is an important addition to our curriculum. We do not take it for granted.

Students and staff look forward to a visit from the library's mobile unit every three weeks. We are grateful for the Accelerated Reader choices that supplement our school library, the curriculum enhancements that you are able to provide, the books and other materials students and teachers order in to supplement units of study, and the books, magazines, music and videos staff choose for enjoyment.

Ms. Sperry and the rest of the van's staff are always helpful and pleasant. They locate resources, provide new and replacement library cards, and invite our students to participate in library programs. One of my most-asked questions is "When will the mobile unit be here again?"

We are thankful for yet another year of excellent service and look forward to next year. Thank you for making Sunbeam a regular stop on the mobile unit's schedule.

Sincerely,

Charlene A. Reed-Mundell  
Librarian
