

Dear Felton,

Thank you so much for hosting the Board of Education archive meeting and facilitating the mural projects' moving forward. We are finally (after a year of discussion!) scheduled to take care of the Louis Grebenak mural next week.

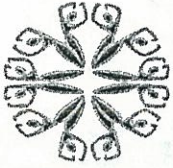

I also think the exhibit idea in collaboration with the library is terrific. If you need any help from the ICA, please don't hesitate to ask. Our education and outreach officer, Jennifer Sowers

Chevraux, has a strong background in museum education and exhibit design and would be happy to attend archive meetings when the project is a bit further along.

Thank you so much for your help!

All the best,

Wendy

Dear Distinguished Gentleman:

Congratulations again on your being selected as a 2012 Distinguished Gentleman during the Positive Plus 26th Annual Gala. You were selected because of your generous and supportive contributions to our organization.

We are extremely happy to announce that a portion of the proceeds will benefit the continuation of our group, as well as help to support our upcoming trip to Germany.

We also raised, through the envelope donations at the gala, over one thousand one hundred dollars (\$1,100) to help us to feed and educate children in Ghana West Africa.

We truly had a party with a purpose!

Enclosed please find a photo of the entire group (with a few exceptions) as an additional appreciation from me to you. Several videos of the event were taken and if you would like to receive a copy, please contact me at 216-999-8573.

Again, thank you for your continuous support and please do not hesitate to contact me if I can be of any service to you in the future. Further more, if you would like to make additional tax-deductible contributions to help us with the children in Africa, which would be awesome gesture.

We have already begun the planning for the 27th Anniversary as we salute our future generation, the children. Can't you see the smile on their faces as they receive similar honor?

With warm regards,
