Mr. Thomas

Last weekend I visited the main library, and I was amazed. I was amazed with the people and the architecture. From the moment I arrived, your staff welcomed me and made suggestions as to what I should see and take pictures of. The globe in the entrance hallway, the ceiling on the third floor, the brass table lamps, and the fixtures....my my the fixtures. All are fantastic! Nice work to you and your team. And thank you for your hospitality.

Thank you,

Brad
