

Mr. Thomas,

2-10-14

Thank you very much for taking time out of your day to welcome the Stark County District Library into your library.

Your staff members were very knowledgeable and welcoming to us, as well. I especially enjoyed Joe - what a character! I think I could listen to him tell stories all day.

I also really enjoyed seeing your tech. center and maker space.

I was on a committee here, at SCOL, which researched maker spaces and I think that what you have is definitely something my community would enjoy and benefit from.

I visit the Cleveland area frequently on weekends and will be planning another trip to your library in the near future.

Thanks, again, for your time.

Sincerely,

Dani Gustavich
