Cleveland, OH 44114

Dear Mr. Felton,

Thank you for helping the Young Leaders at United Way of Greater Cleveland and the Engage! Cleveland Young Professional week be part of the Summer Reading Kick Off on June 6, 2015. The young professional volunteers enjoyed the opportunity to give back to the community at several branches throughout Cleveland. The volunteers had a meaningful experience and enjoyed working directly with the children and their families. The Young Leaders hope to engage in further opportunities with the Cleveland Public Library as our mission is to minimize the low income achievement gap in the Greater Cleveland community. We appreciate your support and flexibility with planning this event. Nichole Shabazz was wonderful to work with and made the planning seamless.

Thank you for your time and dedication to United Way of Greater Cleveland.

Sincerely,

A handwritten signature in black ink that reads "Megan Shadrach". The signature is fluid and cursive, written over a light blue horizontal line.

Donna V. Willingham
Branch Manager
Cleveland Public Library
Hough Branch
1566 Crawford Road
Cleveland, OH 44106

Dear Ms. Willingham,

On behalf of the Board of Trustees, staff, volunteers, and most importantly our patients, The Free Medical Clinic of Greater Cleveland would like to thank the Cleveland Public Library for its in-kind donation of books for the children's waiting area, which received on **6/18/2015**.

Your donation provide meaningful assistance to us as we continue to provide services to medically underserved patients throughout Northeast Ohio. Whether our patients need help in managing or overcoming one or more chronic conditions, relief from a mental health or substance abuse issue, or care in our dental clinic, they can count on us for first-rate treatment, thanks to donations from friends like you. We hope the coming year will bring greater clarity around several important issues that affect access to care for our patients and clients. As Congress continues to debate the status of the charitable deduction, and as our state legislators consider economically sustainable strategies for providing health care to the neediest among us, we appreciate your ongoing support of our daily efforts.

In our role as one of Ohio's newest community health centers, we can now start serving children and seniors. Best of all, access to all of our services will continue to be financially barrier free, thanks to unrestricted private donations such as yours. Your support allows us to provide access, dignity and hope to our neighbors and friends throughout Northeast Ohio. Thank you, again, for your valued commitment to The Free Clinic.

Sincerely yours,

Danny R. Williams, JD, MNO
