Cleveland Public Library:

Re: Black College Football Classic tickets

The Munny Football League is thankful for the partnership with the Cleveland Public Library and Imani Temple Ministry that provided a unique event and eye opener for some members and coaches of our organization.

It was truly a culture event.

We would like to learn more about CPL and its programs for our youth.

We will forward the Library applications for participants that didn't have a card.

Furthermore, we will share the application with others throughout the league.

In this 2021 season the Cleveland Munny Football League will service nearly 2,000 young male and female student athletes ages 5 through 14 years of age.

Our focus is on helping our youth build Character, Sportsmanship, Self-Confidence and Learn Responsibility & Teamwork in a competitive environment while gaining a strong sense of community. RYFO provides a structured, safe and secure environment for the children to learn these life skills.

Our goal is to teach the fundamentals of football and cheerleading in an atmosphere where fun is the key word in fundamental.

Thanks.
