Dear Ms. Winlock,

My prayer is that this missive finds you in the best of Jehovah's Care in these trying and blessed times.

I want to thank you for listing Greater Love as a recipient of the goods and commodities which were distributed by the Cleveland Public Library on today. I was aghast and excited as I viewed the entire pallet of goods which can be used to be of service to the community as we have a mass distribution on the fourth Sunday of this month. You have truly made an indelible impression and impact with the Greater Love Church as they continue to serve the needs of those who are unable to find and receive goods and services which they need in such a disastrous time. It will surely put smiles on the faces of those who are in need and constantly knocking on our doors asking for help. Your generosity and kindness will long be remembered as we distribute these items to those who are in need.

Thank you for allowing Ms. Sherri Jones to contact and confirm us as individuals whom they know will do what is right and will ensure that the members of the Mt. Pleasant Community are served and aided. My thanks must also be shared toward Mr. Felton Thomas for his kindness and generosity. The Cleveland Public Library definitely has a mind to serve the citizens of Cleveland and any way that Greater Love can be of service in the future we are more than happy to serve.

May Jehovah-Elohim continue to keep you in His Infinite presence as you continue in the attitude of servitude to the People of the City of Cleveland.

Sincerely,

*+ Eugene W. Ward, Jr.*
