I am writing this letter on behalf of the South Euclid United Church of Christ food pantry ministry. Our food pantry is extremely grateful to be given the opportunity to receive a very generous donation of household and personal hygiene products, that had been donated to the Cleveland Public Library. Our pantry acquires most of the items, that are distributed to our community neighbors, from the Greater Cleveland Food Bank (GCFB). Even though household and personal hygiene products are available to purchase from the GCFB, the cost is prohibitive for our pantry. Consequently, this unexpected donation from the Cleveland Public Library, in February 2021, is a significant blessing for our pantry and the community neighbors we serve.

We are also most appreciative of the support received from Sherri Jones who coordinated this donation effort, as well as Sherry Parker who assisted the pantries with picking up the donations from the Nottingham Library Branch.

Thank you for allowing our pantry to benefit from your generosity.

Gratefully yours,

Pastor Courtney Clayton Jenkins  
Senior Pastor and Teacher
