Executive Director, CEO  
Cleveland Public Library

Dear Felton,

Thank you for your generous donation of Personal Protective Equipment (PPE) to Greater Collinwood Development Corporation. Greater Collinwood has served as a resource for PPE and food distribution for the North Shore Collinwood, Collinwood Village, Nottingham Village, Glenville East and Euclid Green neighborhoods throughout the Covid-19 pandemic. Through our outreach efforts, we have noted hygiene supplies as essential items needed by residents of our service area. Your recent donation is a great help to us and to our community partners in meeting the needs of the Greater Collinwood community.

Kind regards,
