Dear Mrs. Sadie Winlock and Mrs. Sherri Jones & the Cleveland Public Library Board of Directors,

Re: Cleveland Public Library: partnership with UMF in supplying the community with supplies

On behalf of the Uqbah Mosque Foundation (Cleveland, OH) and our community, we would like to first commend you for the initiative you have undertaken to bring assistance and benefit to those who are in need. We also want to thank you for extending the invitation to join you in this good deed.

The supplies you gave our foundation went directly to those who needed it the most. After picking up the goods from your warehouse, we delivered it directly to our community center. Right after that, the announcement was published along with some pictures of the supplies. Immediately, dozens of families came out and took what they needed.

We are extremely grateful for the invitation to partner with you and we look forward to any opportunity to collaborate with you in the future for the good of the community at large.

Very sincerely,

Yahya Teixeira and Fadeelah Nur
